Setting up a NoodleTools account

Navigate to: [https://www.noodletools.com/](https://www.noodletools.com/)

On the login screen, click the blue button **Register**.

You should be automatically authenticated by the school, if not and you need a password, it is: **redraiders**

Fill in the user registration information:

- Fill in the “About You” with student and your graduation year (from Upper School 2025, etc)
- Then create your ID – PLEASE USE YOUR FIRST NAME.LAST NAME just like your other login!!
- Then type in your password two times – USE THE SAME PASSWORD YOU USE FOR NETWORK AND EMAIL
- For the Easy Login Retrieval use your initials and the last 4 digits of whatever phone number you use the most often. This will help you later if you forget your password.

Then click Register to set up your ID. You should see a screen that looks like this:
